

# Roll With It!

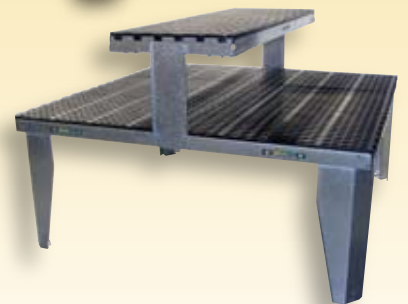

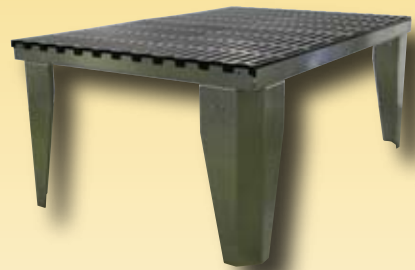

**NEW!**

## ROLLING THE BETTER BENCH

Enjoy the same quality and strength of the Standard Better Bench but as a rolling bench. Engineered for ease of rolling, the Rolling Better Bench is available in widths up to 96". Features of the Rolling Better Bench are:

- *Maximizes your production space by replacing aisles for increased production space.*
- *Removable tops for cleaning.*
- *Tops allow for draining of any excess water.*
- *Unique anti tip feature keeps bench top secure and straight.*
- *Bolt together design allows for quick installation.*
- *Bench-top heating systems fit nicely on the smooth tops.*
- *Optional PoAIR Mist / Propagation Tunnels quickly attach to the bench tops.*

*Standard and Tiered option are also available from VAL-CO.*

# THE BETTER BENCH

**The VAL-CO Boys**

As manufacturer of the Better Bench System, our goal was to make a greenhouse / garden center bench which was very durable, had a high weight to sq. ft. ratio, was easy to assemble, portable and one which was attractive to its surroundings. The Better Bench meets these goals and is cost effective.
